

IN - KIND OPPORTUNITIES

There are many ways you can support the Idaho Falls Youth Arts Centre one of those is through in-kind donation. By donating your time, talents, services or items you are supporting IFYAC. These types of donations come in many forms such as:

Service: graphic design, set building, clerical, event support, printing etc....

Talents: teaching, artistic services (Conductor, Director) etc...

Facility: storage space, event venue, rehearsal venue (discount partial/full)

Item Donations: Clothing (costumes), office supplies, props (wigs, furniture), technical equipment, storage containers etc...

With in-kind donations you help decrease cost and help IFYAC provide more opportunities for youth in our community to participate in the performing arts. We appreciate your support.
